# PRICE LIST 1945

**PREMIER H17** (early) A heavy producer of large fine berries, if in doubt what variety to plant, plant Premier. Price: Parcel Post Paid 25 plants, \$1.00; 50 plants, \$1.75; 100 plants, \$3.00; 300 plants, \$7.50; 500 plants, \$10.00. Transportation collect 1000 plants \$16.00.

**FAIRFAX** (early) Berries are dark red, very firm, extra good flavor. Price P. P. Paid 25 plants, \$1.00; 50 plants, \$1.80; 100 plants, \$3.00; 300 plants, \$8.00.

**DORSETT** (early) Fruit is large and firm, bright red with a flavor unobtainable in any other variety. Supply is short. Price: P.P. Paid 25 plants, \$1.00; 50 plants, \$1.80; 100 plants, \$3.00; 200 plants, \$6.00; 300 plants, \$8.00.

**CATSKILL** (medium early) Has all of the good qualities of any strawberry, looks, quality and productiveness, and a good shipping berry. Price: P.P. Paid 25 plants, \$1.00; 50 plants, \$1.80; 100 plants, \$3.00; 300 plants, \$8.00; 500 plants, \$10.00.

**ROBINSON** (medium early) This is a new variety, my limited experience growing it causes me to believe it might be a very good variety, the fruit is bright red, ripens a little later than Premier, has a long fruiting season. Price: P. P. Paid 25 plants, \$1.00; 50 plants, \$1.80; 100 plants, \$3.00.

**SENATOR DUNLAP** (medium early) This is an old variety, and is known by all berry growers to be the best canning and short cake makings, fruit is medium size, red through to the core, should be kept thinned for best results. Price: P. P. Paid 25 plants, \$1.00; 50 plants, \$1.75; 100 plants, \$2.65; 300 plants, \$6.00; 500 plants, \$9.00. Transportation collect 1000 plants, \$15.00.

**PATHFINDER** (medium early) Fruit is bright red, good flavor, heavy producer of large handsome berries. Price: P. P. Paid 25 plants, \$1.00; 50 plants, \$1.80; 100 plants, \$3.00; 300 plants, \$8.00.

**ABERDEEN** (late) This is a good variety in some localities, in most places a failure. If you have never grown Aberdeen, I advise trying them in a small way. Price: P. P. Paid 25 plants, \$1.00; 50 plants, \$1.80; 100 plants, \$2.65; 300 plants, \$6.00; 500 plants, \$8.50. Transportation collect 1000 plants \$15.00 per 1000.

**RED STAR** (very late) This is a new variety, commences ripening when other varieties are on their last picking. Fruit is large, bright red and a good flavor, but does not bear enough fruit for me to recommend it. Price: P. P. Paid 25 plants, \$1.00; 50 plants, \$1.80; 100 plants, \$3.00; 500 plants, \$10.00.

I have to limit each customer to the quantities mentioned above, but you may buy as many different varieties as you wish as long as my supply of plants lasts. Do not add two or more varieties together to obtain a cheaper rate, **FIGURE EACH VARIETY SEPARATE.**

**RED RASPBERRY.** I can supply Taylor in small quantities, at the following prices, order early if wanted. 25 plants, \$2.50; 50 plants, \$5.00, postage paid. Can supply different varieties in large quantities next fall.

I guarantee the plants you buy from me, to reach you in good condition, and to be satisfactory. If for any reason you think they are not satisfactory return them promptly, and I will return your money in full. On account of weather condition and care, I cannot be responsible after they are planted.

My plants have had two inspections and certified by authorized state inspectors, a copy of certificate will accompany each shipment. All varieties are perfect flower, and need no pollenizing. There will be no difference in yield, whether you plant one or more varieties. I will book your order if one third the value of your order accompanies same, balance when you want them shipped.

**PLANTING INSTRUCTIONS WILL ACCOMPANY EVERY SHIPMENT  
(SEE BACK OF TAG)**

I thank you for your past patronage. I remain

Yours truly
